Housed on twelve acres, it is conveniently just 50 yards from Hwy 14. Private, quiet, and peaceful with incredible views, and a hot tub!

Amenities:

- Comfortable queen pull-out mattress
- Coffee/tea bar with studio fridge
- Hot tub just outside the front door, safely treated - *green*

- Sack lunch provided on request (extra)

Cell service is sketchy on our property, depending on your provider. No land-line available in the guest house. You are very welcome to use the one in the house. Internet service is on the list to be added to that building and may or may not be up and working before your stay.
