# OPEN DOOR STUDIO

## ENCAUSTIC PAINTING

### MONOTYPES - COLLAGE - MIXED-MEDIA

This workshop is for artists of all levels who want to do encaustic paintings, collages, mixed-media and learn, or further develop the encaustic monotype skills. Perhaps exploring one per day or all of them in the daily four hour block 12-4PM.

It's a wonderful opportunity to not only tryout different encaustic processes, but to make art at your own pace, get personal attention, direction, constructive critiques and Instructor's guidance if required, as well as the Studio's Health and Safety Rules.

**Do one, two or all three days for greater savings.**

**Friday, Saturday and Sunday February 22, 23 & 24**  
**12 PM to 4 pm, a four (4) hour block each day**
