Cryosphere

Cryosphere Tears

Then Death and Hades were thrown into the lake of fire. This is the second death, the lake of fire.

Revelation 20:14

I was taught as a child
hell was a real place,
a real lake of fire
bubbling beneath earth's surface
which is why I thought lava flowed straight from hell
and volcanos were the portal of satan
As a thinking adult
I find this sort of theology
absolutely ridiculous
and as Apostle Paul said
I put aside childish things

But the older I get
the more I fear
a red death
a planet on fire
a strangling sea
while we repentant
pave the road to hell
with good intentions
unexecuted
