The paintings are listed alphabetically by the artist's last name. To purchase a painting, click "Add to Cart" button just below each photo of the painting you wish to purchase. Once you have added a painting to your cart, the shopping cart will be visible below every painting. Verify that the artist's last name is the name you see in your cart for the item you have purchased. Quantity should be one only. Verify amount is correct. Click on the yellow "Checkout with PayPal" button located at the bottom left of the shopping cart to proceed to payment. You will be re-directed to the PayPal page to either sign in to your PayPal account, or if you prefer, to make your payment using a debit or credit card. If you wish to purchase more than one painting at the same time, just scroll to the painting you wish to add and click the "Add to Cart" button for that painting to add it to your cart.

\*\* Please check the contents of your shopping cart carefully before clicking "Checkout with PayPal". If you have an item in your cart that you put there by mistake, or change your mind about purchasing, click the red trash can icon next to the item you wish to remove. If you do purchase an item by mistake, contact [mehrens@eainm.com](mailto:mehrens@eainm.com) as soon as possible to arrange for a refund.

We ship via FedEx which requires a phone number of the purchaser - after you've made your purchase, please contact [mehrens@eainm.com](mailto:mehrens@eainm.com) with your current phone number and address.

**Please note:** As paintings are sold we will update this page to note the status and will be adding more paintings as they become available for purchase.
