

COVID-SAFE PRACTICES & REQUIREMENTS FOR ALL IN-PERSON WORKSHOPS

Please note: due to pandemic circumstances, the Encaustic Art Institute is taking encaustic/wax workshops online and also shifting in-person workshops to instructors' studios. You'll find details on each workshop and in what format they will be offered by going to our website and clicking the workshop tabs from the website main menu.

For in-person workshops - Each instructor will provide any specific requirements to make their workshop(s) COVID-safe, and details and directions to their studio location to registered participants prior to the workshop date.

All in-person workshops will be taught maintaining six (6) feet social distancing. Class size maximum of six (6) people and four (4) minimum. We are following the CDC requirements. **Please note:** all participants must provide proof of vaccination and will be required to wear a mask during the workshop.

For any questions regarding these policies, please contact Douglas Mehrens (Mehrens@eainm.com or 505-424-6487), or the individual workshop instructors.
