Artwork samples completed at the last Cold Wax Workshop

Description: 3-Day Cold Wax (CWM) introductory Workshop is easy, fast and lots of fun. This class is for artists with prior experience painting, but new to cold wax medium or those with some cold wax experience who are looking to broaden or reinforce their skills through lectures, demo's, hands-on and critique.

During this workshop you will create multiple paintings using cold wax medium and oil paint.

We will cover:

- Basic tools, materials, surfaces, and safety
- Mark-making for structure, expression and future discovery
- Brayer techniques and veil of color
- Foundational layers, textures and the weight of color
- Monotypes applications, masking and creating shapes
- Explore the use of graphite and pigments
- Mechanical and solvent reductions
- Understanding and mastering stages wetness and dryness
- Working wet-in-wet
- Explore color palettes that you may not have used before.
