

Prepaid Return Shipping Labels

Artists accepted into juried shows are required to send a Return Shipping Label (also known as a Prepaid Shipping Label) when they ship artwork to EAI/Museum of Encaustic Art. A return shipping label is a pre-paid label that will cover the return shipping of your artwork to you should it not sell in the exhibition. EAI/Museum of Encaustic Art requires these as we no longer store unsold work for members (or entrants for an exhibit).

If you are taking your artwork to be shipped to EAI, whatever shipping carrier you are using will be able to help you generate a return/pre-paid shipping label.

If you are generating your own labels for your package to ship, you can also generate a prepaid shipping label to include with your package.

USPS can easily create prepaid shipping labels through [USPS Click-N-Ship](#), For FedEx and UPS, who also offer similar ways to create a prepaid shipping label via their websites you can find a step-by step guide by clicking the link below and scrolling down to FedEx and UPS sections of the article.
